cause of congested traffic conditions and trouble in carting dogs from the various Society Is Strong for the Blue Blooded Dog

was that comparatively few breeds were completed yesterday. Never at a Westminster show have I seen as much en thuslasm and anxiety and keen interest tion and yet the personal side of such displayed. This probably more than anything, showed that the dog show game has gained in public attention.

There is one objection to the present Kennel Club which opened yesterday rowe. show, and that is the manner in which portant feature of that extremely populate the dogs are benefied. Three floors of lar public attraction. For obvious Jr., is judging, but she devoted herself the Palace are used and the breeds are reasons the personal appeal of the dog is at yesterday's opening matines to the badly mixed. It is a simple matter to broader than that of the horse because, Airedale terriers. Mrs. Speyer showed as a lone representative of the bloodcould be benched on the same floor. A

be reckoned in terms of thousands, the did also Mr and Mrs Andrew Morrison. hound—a direct descendant, if you must great many exhibitors show more than possession of even an aristocratic canine have the blood lines—of the very hounds one breed of terriers and, since all involves smaller sums of money. Such a

show of five. There was quite a collect from the story of Alaskan huskies and malamutes, and discusses the chances of them shown by Jack Hanlon, who breeds the tough little animals. Of course the most fushionable gallery surrounded the ring in which the fox terriers have the length of the show. He actual dogs of the Yangure rounded the ring in which the fox terriers were judged, but there were some was more interest taken in the judging Kannor. He was the process the chances of Frank H. Miller and Dr. George A. Milling Those seen at vesterative opening through the process. Lewis A. Eligidge, W. Chauncey Floyd-fones, Lewis S. Thompson, Oakleigh Thorne and Harry Payne Whitney as his associates among the officers and directors, the Westminster was more interest taken in the judging Kennor. Chub is as recovered to the show of the show were Mrs. George H. Pell, Quincey A. Shauper K. Chancey and through the process of the show of the Frank H. Miller and Dr. George A. Miloretty virile specimens of the genus of these than in any other breed, which among men who stand for the highest mome around the section where the bull was quite natural as they are practically ideals in sportsmanship as it was forty-Kennel Club is as representative to-day

tion of the day was created by a Chow are despectmen of the breed which not so many years ago offered the piece de resistance in delicatessen shops in China. The Chow in question was Doiran, a year of Peter the Great and Pecknall Mar Ka, if you know what we mean boiran was shown by Mrs. Harry Burton (Arrey of Boston, and he walked right through to two blues and the distinction of being the best Chow in the show.

Imported From England.

Mrs. Torrey imported Doiran from Mrs. Torrey imported Doiran from Si Little Buster, shown in the come well of the Mrs. Torrey imported Doiran from one of the spiendid condition of his coat, so in this fact he so his in a new through to two blues and the spiendid condition of his coat, and the spiendid condition of his coat, so in this fact he so his in the spiendid condition of his coat, so in this fact he so his in the spiendid condition of his coat, so in this coat alone was not responsible with.
